The El Rukn Street Gang
Chicago Division
245F-147

b3 F.R.C.P.

The El Rukns is a violence-prone, highly structured street gang that has existed in Chicago since the 1960s. The El Rukns have also been known as the "Blackstone Rangers", and the "Black P-Stone Nation". During their heyday, the El Rukns ruthlessly controlled Chicago's southside illegal drug, gambling, extortion and prostitution rings. The El Rukns are also suspected of committing several hundred murders over the years in order to control and dominate crime on Chicago's southside.

Subsequently, in early 1986, the Chicago Office of the Federal Bureau of Investigation (FBI), as the lead agency of an Organized Crime Drug Enforcement Task Force including the Chicago Police Department and Alcohol, Tobacco and Firearms (ATF), initiated a series of court authorized wire intercepts at the gang's headquarters in Chicago, Illinois, and Bastrop, Texas, to investigate illegal activities of the El Rukns.

In late March of 1986, a series of conversations were intercepted that indicated that the El Rukns were involved in negotiations with the government of Libya. At this point, the "Rukbom" investigation, Chicago file number 174-2034, was initiated by Chicago's Joint Terrorism Task Force. The subsequent investigation revealed that several El Rukns were in Libya to offer their services for terrorist acts in the United States in return for money. Through the use of an FBI Undercover Agent (UCA), the El Rukns were sold two inert Light Anti-tank Weapons (Law Rockets) in the early part of August, 1986. On August 5, 1986, simultaneous searches were conducted at the Chicago El Rukn Headquarters and a Chicago El Rukn safehouse. The two Law Rockets sold to the El Rukns and 35 other weapons were found in the basement of the Chicago safehouse.

ENCLOSURE

Rukns were convicted of conspiracy to commit a terrorist act.

El Rukns received sentences ranging from 9 to 64 years.

In addition to the "Rukbom" investigation, captioned case concentrated primarily on the racketeering activities of the El Rukn's with respect to drug and murder violations. Investigation revealed that the El Rukns consisted of approximately 200 individuals in Chicago, Illinois, as well as Rukn chapters in both Milwaukee and Detroit.

On October 27, 1989, a Federal Grand Jury in the Northern District of Illinois (NDI) returned two separate indictments charging a total of 65 members and associates of the El Rukn Street Gang with racketeering, conspiracy, murder, attempted murder, conspiracy to murder, witness intimidation and retaliation, kidnapping, obstruction of justice, drugs, and firearm violations.

At present, 12 major El Rukn members are cooperating with the government, have plead guilty, and will be sentenced after all El Rukn trials have been concluded. The remaining 53 indictees will be brought to trial in six separate trials, the first trial commencing in April of 1991.

In addition to the arrests of the El Rukns members, the main Chicago El Rukn headquarters was federally seized on October 27, 1989, and later turned over to the state. Subsequently, the State of Illinois had the headquarters demolished so that the area could be used for a park.

- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years.

Claiming Non-Federal Arrests, Summonses, Recoveries or Convictions:

It is permissible to claim a local arrest, summons, recovery or conviction **if the FBI significantly contributed to the accomplishment**. A succinct narrative setting forth the basis for the claim must accompany this report. When claiming a local recovery, enter the word "LOCAL" to the right of the amount. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for capital punishment sentences.

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, **not** the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

Investigative Assistance or Techniques (IA/Ts) Used:

-Since more than one IA/T could have contributed to the accomplishment, each IA/T used must be rated.

-The IA/T used must be rated **each time** an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)
